LETTER FROM THE SUPERINTENDENT

GREETINGS CANADIAN VALLEY COMMUNITY,

On behalf of Canadian Valley Technology Center’s Board of Education, administration, faculty and staff we thank the members of our district in Canadian and Grady county for your continued support.

At CV Tech we pride ourselves on our ability to meet the evolving needs of our customers. Therefore, we have adapted course options by offering classes online, in person and a hybrid blend of both. In addition, CV Tech is offering new classes this semester. These include “Bistro Cooking,” “Forming an LLC” and “Trusting Trusts For Your Real Estate Plan.”

Please follow us on our social media channels or visit our website for the most up to date information. I hope you enjoy your experience at CV Tech while expanding your knowledge base and acquiring new skills. I wish you the very best in your educational pursuit!

Respectfully,

Dr. Gayla Lutts, Superintendent
