ADMISSION POLICIES AND PROCEDURES FOR MEDICAL ASSISTANT

Become a Registered Medical Assistant (RMA).

The Medical Assistant career major will equip you with the skills needed to assist physicians and other healthcare providers in a physician's office or clinic setting. Any person applying for admission to the Medical Assistant program must meet with the career counselor before enrollment in the career major is accepted. (High school diploma or GED required)

Discuss your potential enrollment and career choices by contacting our Career Counselor at 405-345-3340.

Contact the Financial Aid Officer for information regarding financial aid at 405-422-2208.

Items to bring with you for enrollment:

- Documentation of Two Step TB Skin Test not more than 6 months old (tests are valid for 1 year)
- Results of the Accuplacer Assessment (call 405-422-2318 for testing appointment)
- Method of Payment
 - Financial Aid (apply online at www.fafsa.gov; school code: 009965)
Financial Aid questions? Call our Financial Aid Officer at 405-422-2208
 - Next Step Scholarship for students under the age of 24 with a high school diploma and living in district (must provide driver's license, high school diploma, and current utility bill for verification purposes)

All students will be required to have a National Background Check completed before starting the Medical Assistant clinical rotations. This program requires clinical rotations in health care facilities separate from CV Tech. Students with a felony or sex offender conviction may be prohibited from training in health care facilities and therefore cannot complete the requirements of the program. The career counselor will discuss this requirement with you.

Frequently Asked Questions and Answers

1. What is the difference between a traditional program and an individualized study program?

Traditional Program – All students start and complete at the same time.

Individualized Program – Students work within their own individualized time frames, which is monitored and facilitated by faculty.

This is a non-traditional individualized program. Classes meet 8:25-11:15 and 12:25-3:15, Monday-Friday. Attendance is strictly enforced. Full-time and Part-time enrollment is available.

2. What certifications can I earn through the Medical Assistant Program?

AMT Registered Medical Assistant

ProTrainers- Blood Borne Pathogens

American Heart Association- BLS Provider

NCCT Registered Phlebotomy Technician

3. Can I receive credit for previous health-related work or education?

Students with transcribed college or technology center coursework may receive advanced standing. Transcripts will be evaluated by the program instructor. Students may have to pass a competency test of the specific course.

4. What is the average length of time in which students complete the program?

35 weeks if enrolled full time

5. Will I have to do a drug test?

Canadian Valley Technology Center enters into contracts with various organizations to provide clinical experience for our students enrolled in certain programs. Some of these organizations require the student to provide a negative drug screen in order to participate in such clinical experience at their facility.

Where clinical experience is required in order to successfully complete the program or course of study, the student will be required to provide Canadian Valley Technology Center with a copy of a negative drug screen from an approved lab. Your instructor will notify you of the need for a random drug screen and give you specific instructions at that time.

6. What if I have to miss class?

Students who exceed the attendance policy may forfeit the opportunity to attend the remainder of the current semester and the following semester or be completely withdrawn from the program. Adult students may lose scholarships. Those receiving financial aid/VA benefits will have to abide by federal/VA guidelines regarding attendance.

Satisfactory Academic Progress

Satisfactory academic progress is a condition of eligibility for students receiving federal financial aid in this institution. He/she must maintain a cumulative grade-point average of 2.0 (C) or above and be within the attendance policy.

Satisfactory progress means that a student is proceeding in a positive manner toward fulfilling certificate requirements in a normal length of time (not to exceed 150% of published length of program). A student who fails to make satisfactory progress may be placed on warning status for up to one (1) pay period and will be denied financial aid until they are removed from that status. There is no warning status given for excessive absences.

Important Note

For complete Student Consumer Information on Title IV Financial aid, contact the Financial Aid office. Student Consumer Information contains information regarding all financial aid programs, security report and crime statistics, drug prevention program and pro-rate policy. Students may also contact the local Workforce Investment Act (W IA) representative regarding the Workforce Investment Act.

Maintaining PELL Eligibility

- Must be enrolled as a regular student in eligible certificate program (active status).
- Must have satisfactory academic performance and be within the institutional attendance policy.

PELL Grant Disbursement

The PELL Grant is awarded on basis of need (school costs and standard of living costs minus family resources) and satisfactory academic performance.

The PELL Grant will be awarded in two disbursements. Students will receive their first PELL payment on the basis of being enrolled. For every payment thereafter, students will be paid if and only if their academic performance has been satisfactory and they are within the institutional attendance policy. PELL Grant funds will be disbursed within eight weeks from payment-period beginning date.

Disbursements will be made by CVTC to students in the following manner: The eligible amount less tuition, fees, books and supplies will be disbursed, payable to the student though the fiscal office.

Return of Title IV Funds

Students receiving PELL Grant funding who withdraw, drop or fail to complete a payment period for which they have been charge, a "Return of Title IV Funds" calculation will be processed. The calculation is based on the actual percentage of the payment period the student completed.

Leave of absence does not count as completed hours.

Students who do not complete more than 60% of the payment period may be required to return a portion of the PELL Grant funding they received to the U.S. Department of Education. The institution will also be required to return a portion of the PELL Grant funding received for tuition from the U.S. Department of Education. Students will be billed for the portion the school must return. A detailed Return of the Title IV Funds worksheet is available upon request.
