

Online Application Instructions for High School Students

Link to Application

<https://si.cvtech.edu/studapp.cfm>

Begin Your Application

Go to <https://si.cvtech.edu/studapp.cfm>

The screenshot shows the CV Tech application portal. At the top, there is a dark blue header with the text "CV Tech" in white. Below the header is a navigation bar with four items: "APPLY ONLINE", "LOGIN ▾", "PROGRAMS", and "COURSES ▾". The main content area is white and contains the following elements:

- A heading "LOGIN : APPLY ONLINE" centered at the top of the main area.
- A callout box on the left with the text: "Applicants: click here to begin a new application." A red arrow points from this box to a dark blue button labeled "CREATE NEW APPLICATION".
- Below the first callout, another callout box with the text: "Already started an application? Click here to continue." A red arrow points from this box to a dark blue button labeled "CONTINUE AN APPLICATION IN PROGRESS".

**Students who applied last year and are not currently in a CV Tech program need to complete a new application. Current CV Tech students do not need to re-apply.

Create Account - For New Applications

Three application options:

- 1) El Reno or Cowan Campus location
- 2) Chickasha Campus location
- 3) Underground Utility Locating Technician (has a unique application due to only being offered to Seniors)

SUBMIT APPLICATION

Congratulations on applying to CV Tech!

After you have submitted your application:

- You should receive an email from application@cvtech.net. Save this email. It will contain your confirmation as well as important login information.
- Once your application is submitted, you cannot make changes. If you need to make a change, email application@cvtech.net to make your request. DO NOT submit another application.
- Didn't receive an email confirmation? Make sure to check your Junk folder in your email. If it is not there either, log back in and make sure your application is complete. The most common error that happens is not choosing a program on page 2 (Academic Program). Make sure a program is selected, click save, then continue.
- The next step is student interviews. These usually occur beginning in February. If you attend virtual or homeschool, a CV Tech counselor will be in touch to schedule interviews.
