Frequently Asked Questions

PROGRAM COSTS

How do I know if I am in-district?
Our district is defined by our 14 Partner Schools. If your household address is within one of those districts, you are likely considered in-district. Our list of partner schools: https://cvtech.edu/about/partners/

How much does it cost to attend CV Tech?
Full-time program costs, including books and fees: https://cvtech.edu/financial-information/program-costs/
Our short-term programs have prices listed and you can enroll online: https://short-term-classes.cvtech.edu/
We offer several tuition discounts: https://cvtech.edu/financial-information/tuition-waivers/
We also have veterans benefits and GI Bill® approved programs: https://cvtech.edu/student/veterans-gi-bill/
Many can also qualify for financial aid: https://cvtech.edu/financial-information/financial-aid/

MORE INFORMATION ON A PROGRAM

Most of the program information is found on the **program page tabs**. This includes an overview of the program, course curriculm, careers, tours, and certifications. These tabs also include links to:
Program costs: https://cvtech.edu/financial-information/program-costs/
Schedule/ hours/ enrollment dates for adult students: SPREADSHEET LINK

What do I do to get started?
Applicants can find most answers on our Apply Now page: https://cvtech.edu/adult-high-school-enrollment/

I've looked at all of this. I still need more information about a specific program.
Click on the **For More Information tab** on the program page to reach the program's career counselor directly.

MORE INFORMATION ON ENROLLING

Adult applications are accepted year-round. Students MUST submit a required waiver (and the Next Step application if you are 18-23 and want to be considered for the tuition waiver.) Enrollment is subject to availability; most of our programs have waitlists. Career counselors (For More Information tab) can answer specific questions on enrollment timelines. High school freshman-junior applicants are only accepted during the fall when the application link is open.

How do I start my enrollment?
Applicants can find most answers on our Apply Now page: https://cvtech.edu/adult-high-school-enrollment/
List of qualifying waivers for adult students: https://cvtech.edu/adult-high-school-enrollment/
Don't have a qualifying waiver? Schedule an Accuplacer test: https://cvtech.edu/assessment-center/

I submitted my waiver/application online but didn't hear from a counselor. What happened?
You MUST submit an approved waiver to be considered for enrollment. Did you upload a document? Was it on the waiver list? Was it an official document with your name and not a simple screenshot? If not, your application has not been sent to the enrollment office. Please follow the steps to enroll and try again.
 If so and you still haven't been contacted, please reach out to the program's career counselor directly.
