

REVIEW OF INSTRUCTIONAL MATERIAL

In order to promote transparency in the education process, the technology center's instructional materials will be available for review by parents of minor children. Instructional materials include items such as teacher manuals, films, tapes, and other supplementary materials regardless of format.

In order to review these materials, a parent should submit a written request to the campus director. The request must specify the class/subject, teacher, student's name, and the types of items being requested for review. Within ten (10) days the campus director will arrange for a mutually convenient time for the review or will notify the parent that a review cannot be permitted. If the campus director declines to allow a parent to review the materials, the director will provide the parent with an explanation of why the material is not available. All reviews will be conducted between the hours of 7:30 a.m. and 4:00 p.m. in the Student Services Office at each campus location. Instructional materials may not be removed from the Student Services Office.

In the event the requested review is denied or after fifteen (15) days with no response from the campus director, the parent may request this information through the board of education in accordance with the technology center's policy regarding parent rights.
