Statement of policy

Expenses incurred by individuals for travel on behalf of the technology center should be reimbursed by the technology center. Reimbursement to individuals should be made upon approval by the board of education after proper presentation of supporting documentation, as defined below.

Definitions

Terms used in this policy are defined as follows:

"Travel" means transportation arrangements made or incurred by car, airplane, train, bus or other means or hotel accommodations and meals, for the purposes of advancing the interests of the technology center. Travel may be within or without the technology center. Travel does not mean transportation to and from the employee's residence or abode to the technology center for employment.

"Employee" means any person employed by the technology center or a member of the board, acting in his or her capacity as a board member, on behalf of the technology center.

"Non-employee" travel and related expense reimbursement is limited to reimbursement of students and sponsors, engaged in approved technology center-related activities. Expenses eligible for reimbursement are only those for necessary meal and lodging expenses. Students and sponsors seeking reimbursement must follow the procedures included in this policy or any reimbursement will be forfeited.

"Expenses" means any actual indebtedness incurred and paid by an individual employee on behalf of the technology center, for the benefit of the technology center or for the purpose of advancing the interests of the technology center, with the intention of being reimbursed by the technology center. Expenses may include, but are not limited to, these items:

Reimbursement requests not complying with these requirements will be denied unless unusual circumstances are presented to and approved by the superintendent or designee.

Reimbursements issued by the board are only for the actual amount of out of pocket expenses paid by the employee. No additional charges may be added by the employee and the employee may not obtain a warrant for funds he or she expects to pay or incur in the future.
